

# Moен® Garbage Disposals

Now Shipping

## Portfolio Updates

- **NOW SHIPPING** – NEW GX Series 3/4 HP Batch Feed Garbage Disposal. Stopper activates disposal for safe operation. No wall switch required.
- Batch Feed Unit includes new hardware capable design – pre-installed power cord easily removes for optional hardwiring. New cord design will be rolled out to the remainder of the portfolio throughout 2017

## Key Features

- **VORTEX™** permanent magnet motor has powerful grinding capabilities designed to reduce jamming and eliminate tough kitchen scraps
- **Universal Xpress Mount™** fits Moen and most existing 3-bolt mounting assemblies, including InSinkErator® brand\*
- **SoundSHIELD™** designed to provide sound deadening insulation
- Compact design is lighter weight for easier installation and frees up valuable space under the sink
- Garbage disposals reduce waste sent to landfills making it an eco-friendly option for your home
- Compatible with properly sized septic tanks

## STREAMLINED ORDERING

- ✓ Moen garbage disposals can be ordered on their own, or combined with any Moen faucet or sink order
